We need decisive action to preserve the Twin Cities’ small businesses and jobs as part of the Twin Cities region’s recovery agenda creates more resilient local economies with stronger small businesses and higher quality jobs. In addition to temporary relief measures, we need cost effective strategies that build truly resilient economies.

**COVID-19**

As of January 2021, over 70% of businesses in Minnesota have been negatively affected. Over half believe it will take six months or more to return to normal.

**SILVER TSUNAMI**

Retiring baby boomers own half of all small businesses, almost 30,000 in the Twin Cities region. 6 out of 10 will try to sell their business in the coming decade, and many won’t find buyers.

**EMPLOYEE OWNERSHIP**

can support business continuity, preserve good jobs and rebuild local economies in the Twin Cities region.

Local businesses are the lifeblood of our economy

Small businesses employ nearly half of the Twin Cities’ private sector workforce. In addition, local businesses circulate 3x more money back into their communities than absentee-owned businesses and corporate chains.

Investing in employee ownership

as part of the Twin Cities region’s recovery agenda creates more resilient local economies with stronger small businesses and higher quality jobs. In addition to temporary relief measures, we need cost effective strategies that build truly resilient economies.
THE EMPLOYEE OWNERSHIP SOLUTION

Keeps local businesses open and grows good jobs

EMPLOYEE ENGAGEMENT HELPS FLATTEN THE CLOSURE CURVE FOR BUSINESSES

Employee ownership increases engagement, dedication and ingenuity, which are key to business success. During this uncertain time, businesses must respond quickly to change. By embedding employee ownership into the recovery, we can help small businesses in the Twin Cities region get through the crisis and help build their resilience for the future.

EMPLOYEE OWNERSHIP CREATES MORE RESILIENT BUSINESSES

- Higher sales and growth
  2% higher sales and employment growth year after year (NCEO).
- Lower unemployment
  In normal times, employee-owners are six times less likely to be laid off; 50% less likely in the last two recessions (Rutgers).

EMPLOYEE OWNERSHIP CREATES HIGH QUALITY JOBS

- Median wage income is 33% higher
- Median job tenure is 53% higher
- Household net worth is 92% higher
