

The small business **CLOSURE CRISIS**

SMALL BUSINESSES
are the lifeblood
of our economy

Baby boomers own half of all privately held firms in Tennessee

This Silver Tsunami of retiring business owners own approximately 44,100 firms which represent half of all job-creating businesses in the state. These firms employ 610,000 million workers and generate roughly \$116 billion in revenue. As most of these owners retire, our local business landscape is going through a dramatic shift.

6 out of 10 business owners plan to sell in the next decade.

By selling to their employees, owners can keep their legacy alive by keeping these businesses and jobs in the community.

They make up 99.5% of all firms and provide 42.1% of all jobs in Tennessee.

In addition, local businesses circulate 3x more money back into local communities than absentee-owned businesses and corporate chains.

Baby boomers employ an estimated 1 in 5 private sector workers nationwide.
