EO Equals supports small businesses, helping them determine how employee ownership can help their business thrive.

Led by its Governing Partners, Evergreen Cooperatives and Project Equity (and housed within Project Equity), EO Equals is a campaign to educate small business owners about the benefits of employee ownership (EO). The goal of the campaign is to expand the employee ownership movement, helping more small businesses thrive, empowering workers with higher quality jobs and building more equitable communities.

Consultant role

As the EO Equals Project Consultant, you will lead the execution of the EO Equals campaign, ensuring that the partners’ focus and perspective is maintained throughout.

What you will do

- **Engage partners.** You will establish clear channels of communication with all partners – Governing Partners and Allied Partners, providing them with updates on the campaign’s progress, alerting them to opportunities to promote EO and ensuring they have the tools and resources needed.

- **Oversee awareness-building activities.** You will manage the firm who is tasked with media buying/advertising campaigns, providing materials and guidance.

- **Collect, distribute and engage leads.** You will be the initial point of contact for the leads generated by the campaign, responsible for answering any questions or distributing leads to the Governing Partners.

- **Manage the EO Equals website.** You will keep the site’s content up-to-date, soliciting additional content from partners as necessary, collecting survey data and performing routine maintenance.

- **Assess campaign performance.** Monitor and share meaningful metrics to identify areas for improvement, elements that worked well and to measure impact.
How you work

- **You are goal- and results-oriented.** You make things happen. You are able to stay focused on and successfully achieve milestones. You are proactive in adjusting based on learnings in order to stay on track.

- **You take initiative.** You proactively identify gaps and develop solutions. You are comfortable figuring things out and being resourceful to meet your goals.

- **You’re a team player.** You enjoy and are highly skilled at collaborating within and across teams.

- **You enjoy building relationships.** You enjoy and are skilled at engaging new partners and maintaining and strengthening relationships with existing partners.

- **You are passionate about making a difference** and supporting employee-owned businesses, and the idea of supporting small business owners is meaningful to you.

Areas where you shine

- **You are an organized project manager.** You are able to successfully manage multiple projects, partners, and milestones and keep internal teams on track towards project goals and deliverables.

- **You are a great communicator.** People enjoy engaging with you and you enjoy engaging with people. You can communicate complex concepts simply to diverse audiences via written materials, email, phone, and presentations, both in person and virtually.

- **You’re experienced and comfortable working with a variety of stakeholders.** You understand how to tailor your communication and approach based upon the audience and their specific needs.

- **You enjoy learning.** You want to dive in and really understand employee ownership so that you will be able to get partners excited and educated about how their role can most effectively plug in to the mission.

- **You’re humble and self-aware.** You’re aware of what you know, and what you don’t know, and are great at bringing in other people to round out your personal expertise.

- **You thrive in dynamic, evolving environments.** You’re excited to work with a small, agile, and fast-moving team. You are flexible and nimble, able to operate successfully in a growth environment, and comfortable with change.
