The small business CLOSURE CRISIS

Baby boomers own half of all privately held firms in San Diego and Imperial counties

This Silver Tsunami of retiring business owners own over 33,300 firms which represent half of all job-creating businesses in the region. These firms employ around 348,000 workers and generate roughly $69 billion in revenue. As most of these owners retire, our local business landscape is going through a dramatic shift.

6 out of 10 business owners plan to sell in the next decade.

By selling to their employees, owners can secure their legacy and keep these businesses and jobs in the community.

SMALL BUSINESSES are the lifeblood of our economy.

They make up 99.8% of all firms and provide 47.9% of all jobs in California.

In addition, local businesses circulate 3x more money back into local communities than absentee-owned businesses and corporate chains.

Baby boomers employ an estimated 1 in 5 private sector workers nationwide.
